October 22, 2012  
Rev. Dave Benedict

## Discussion Questions

1. What did you find interesting or unusual in the sermon?
2. "The Psalms teach us to pray". Respond to Pastor Dave's statement.

Has this been your experience? Why/why not?

3. What has been your experience thinking about or talking about idols in the modern world?

4. "We are either running toward God or running toward an idol. There is no middle ground." Does this ring true to you, or not?

If it is true, why don't we think and talk more about the idols and idolatry?

5. What are your "take-aways" from this sermon?
