

## **Come to the Manger**

The stars above my head  
tonight  
Point the way to Jesus Christ

The shepherds came to the  
stable  
Where they found Jesus' cradle

Wise men came bearing gifts  
To the holy infant

Come to the manger  
Come and see our little savior  
Come to the manger  
Come and see the baby our  
savior

Halleluia Christ our king  
Halleluia the angels sing

Mary has given birth  
to the savior of the earth

Animals gaze upon him  
Born the king of angels  
Oh

Come to the manger  
Come and see our little savior  
Come to the manger  
Come and see the baby our  
savior

Halleluia Christ our king  
Halleluia the angels sing

Christ was born today

Come to the manger  
Come and see our little savior  
Come to the manger  
Come and see the baby our  
savior
